

Keep in touch via our new school app

Life as a parent can be extremely busy. There is always so much information to keep up-to-date with once your child is at school. From what's on the menu at lunchtime to the date of the next school event, you will want to ensure you don't miss any important updates.

To make your life a little easier, Pabulum has created a free app, so you can access all the school information you need in just a few clicks. Once downloaded you will be able to:

- View your child's school food menu
- See the latest school news and updates
- Receive school message alerts
- Check all events in the school calendar
- View your schools website
- Follow the latest social updates

How to download the New Valley Primary School App:

On your smartphone or tablet, search either your App Store or Google Play for 'Pabulum'. When you open the app you will then need to enter your child's school name. If you need any help using the app please email info@pabulum-catering.co.uk.
