INTRODUCTION

Chipstead Valley Academy Trust (CVAT) and Coulsdon Nursery School (CNS) recognises the valuable contribution that the wide range of additional activities, including trips, clubs and residential experiences can make towards pupils' education. We aim to promote and provide such activities both as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities

All education during school hours is free. The Trust does not charge for any activity undertaken as part of the National Curriculum with the exception of individual music tuition delivered by an external agency or peripatetic teacher.

CHARGING FOR SCHOOL ACTIVITIES

The Strategic Board will agree the charge to be made for each pupil for activities organised by the school in the following circumstances:

Activities outside school hours

The full cost to each pupil of all approved activities deemed to be optional extras taking place outside school hours, unless a payment agreement is set up in advance by the Head Teacher/Head of School. Activities include; Breakfast and Afterschool clubs, Additional nursery sessions and lunch club.

Materials and equipment

Charges may be made in respect of the cost of materials, ingredients or equipment, for certain aspects of the curriculum if the parents have indicated in advance that they wish to own the finished product.

Lost or damaged school property

A charge may be made for the replacement of any item of school property that is lost or damaged.

Residential trips in school hours

CVAT will charge for the total cost of board, lodging and transport of approved residential activities deemed to take place largely in school hours.

The charge will not exceed the actual cost of provision.

Voluntary Contributions

CVAT may request from parents a voluntary contribution towards the cost of:

- Any activity which takes place during school hours such as school trips and including school swimming.

There will be no limit on the level of voluntary contributions and no restrictions on the use to be made of such contributions.

Requests will make it quite clear that contributions are voluntary and children of parents who do not contribute will not be treated any differently. No pupil will be excluded from an activity because their parents are unable to make a contribution of any kind. Where there are not enough voluntary contributions to make the activity possible, and there is no way to make up the shortfall, then the activity may have to be cancelled (with the exception of swimming, to which the school is committed to continue).

At CNS a regular donation per week is requested in order to cover the costs of daily fruit for each child.
