What's been happening in January?

This month has flown past...

- Y4 have visited the Museum of London- listening to the story of Beowulf inside the Saxon homestead
- Y5 & Y6 team took part in hockey festival at Chipstead Valley
- Reception & Y1 visited Purley Library

- The school has again hosted the Maths (Mrs Dubben) and Early Years (Ms Kennard) Maths Teacher Research Groups for Thames Maths and many of the teachers went to observe the teachers from Shanghai whilst they were over on exchange. Look out for further developments in maths at NVPS this term!

Do you have questions or ideas to share about how to make your children successful? Would you like an opportunity to discuss these with like-minded people? Ask Mrs Taylor about Parent Gym....
