Dear Parents/Carers

Chipstead Valley is a cashless school and uses the ParentPay online service to pay for breakfast and after school clubs, school trips and school meals (in Key Stage 2 only): children in Reception and Key Stage 1 all receive free school meals.

ParentPay is a unique online service that allows you to pay using your debit or credit card. (New parents receive details of their login once their child has started school in September.) For those who do not have access to the internet or who choose not to pay online, ParentPay has enabled a system of paying cash for school meals in local PayPoint stores via the issue of a PayPoint card.

For those of you who do not have access to the internet or prefer to continue using cash, you can pay cash for school meals in local PayPoint™ stores. Those parents choosing to use PayPoint™ as their preferred method will receive a PayPoint™ card through the post and may start using it immediately. PayPoint™ payments are also recorded by ParentPay and can be seen by logging onto your ParentPay account and viewing your payment history. The PayPoint™ stores nearest to the school are:
