<p>Create a robot using empty boxes and bottles.</p> <p>Can your robot include moveable parts?</p>	<p>Bake a cake with an adult.</p> <p>Once baked, cut into several equal pieces. Discuss the different fractions and how they can show the same quantity.</p>	<p>Measure the perimeter of each room.</p> <p>Which room has the greatest perimeter? What could you use to measure with?</p>	<p>Go on a right-angle hunt.</p> <p>How can you be sure? Record your findings in to your distance learning book.</p>
<p>Create alliterative sentences.</p> <p>Write a sentence about an object, starting as many words as you can with the same letter. For example: David delays doing dirty dishes.</p>	<p>Using recent receipts, find different combinations of coins you could use to pay.</p> <p>Discuss change from £5, £10 and £20 notes.</p>	<p>Write a review of your favourite movie.</p> <p>Think about the plot, characters and settings.</p>	<p>Design a video game.</p> <p>Create a story board to describe: an objective, main characters and different levels.</p>
<p>Listen to your favourite songs.</p> <p>Concentrate on the music and sounds made by different instruments. List the instruments you can hear and adjectives you'd use to describe them.</p>	<p>Write a poem about today's weather.</p> <p>Use similes, metaphors, alliteration and personification.</p>	<p>Find a pebble/rock/stone that you like the look of.</p> <p>Describe/draw it.</p>	<p>Find a tiny leaf and an extra-large leaf.</p> <p>Describe/draw them.</p>
<p>Rain drop races.</p> <p>On your own, or with a family member, choose a raindrop each and watch them race down the window.</p>	<p>Sit silently for 5 mins in the garden.</p> <p>List all of the sounds you can hear. Can you name the different animals?</p>	<p>Have a tongue twister competition.</p> <p>Who's the fastest? Which one's the easiest/hardest? Can you make your own one up?</p>	<p>Choreograph a dance for your favourite song.</p> <p>Can you teach your family members the dance?</p>
<p>Gratitude and Reflection.</p> <p>Who have you thanked today and what for? Does being grateful mean saying thank you only? What else could it involve?</p>	<p>Do a dance from just dance – YouTube</p> <p>Are you better than your sibling or parent? Can you make their dance any better?</p>	<p>Plant a seed</p> <p>Do any of the foods you've eaten have seeds? Plant some and see how long they take to grow. Record your findings in your book.</p>	<p>Start a farm</p> <p>Save vegetable tops, roots and seeds and plant them in waste food containers. Do you need water? Soil? Both? How many crops can you grow?</p>
