Reading

Reading time

During these challenging times, the officers from a Safer Neighbourhood Team based in Croydon have found a creative way to keep in contact with local pupils whilst schools across the nation remain closed. Safer School Officers have recorded videos of themselves and other officers reading storybooks.

Little Red Riding Hood

Discovery

The next two weeks of Discovery will focus on the book Little Red Riding Hood! Try to choose 1 or 2 activities a day to complete.

Discovery

Science (Materials)

LO: I can describe different materials.

Go for a walk around your house. Look at the objects and what materials they are. Draw a picture of your house and label the different materials.
Think about Grandma's house in the story.

Geography

LO: I can draw a map with a key.

Think about the story. Little Red Riding Hood walked through the forest. Can you draw a map of the forest so she knows where to go? Include a map key.

Science (Living things)

LO: I can find out information about a woodland animal.

Little Red Riding Hood was exploring the woods. Can you find out about a woodland animal and write a fact file about it? For example a bug, bird or fox!

Art & Design

LO: I can plan and model my ideas.

Design and make a model of a trap to catch the wolf! You will need to think carefully about the materials you use and how the trap is going to work.
Draw out your design and label it before you make it.

Music

LO: I can use actions and use my voice expressively when singing a song.

Little Red Riding Hood was walking through the woods. Listen to and join in with this song called 'It's a Spring Thing'. Think about all the things that happen in nature during Spring.

Languages

LO: I can name different pets in Spanish.

In today's lesson we will recap our previous learning and then talk about different pets in Spanish!
What pet do you think Little Red Riding Hood would like to have?
