# PSHE

LO: I can think about  
the life of a refugee.

## REFUGEE WEEK 2020

Watch this animated poem called 'Help them feel at home' to help you understand what a refugee is and how they might feel when they have to leave their home.

Sometimes people must flee their homes because they are not treated well in their country. This often means having to leave family and friends behind and make a difficult journey to find safety.

Dino the dinosaur made his journey to the UK after a war broke out and destroyed his home.

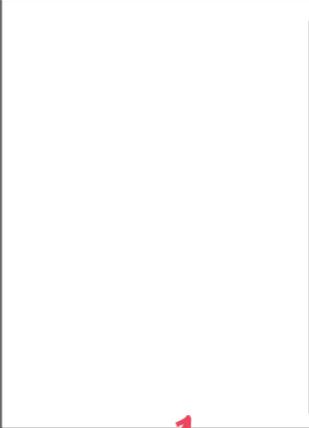

Imagine you are Dino writing a postcard to your Friends back home.

- How are you feeling?
- What was your journey like?
- What would you want to tell them about your new life in the UK?
- What do you hope for the future?

Last week was Refugee week.

### WHAT IS A REFUGEE?

A refugee is a person who has been forced to leave their country because they fear they may be punished or mistreated due to their race, religion, opinions or because of where they are from.

# Discovery

The next two weeks of Discovery will focus on the books Little Red Riding Hood and The Last Wolf! Try to choose 1 or 2 activities a day to complete.

## Science (Materials)

LO: I can think about different materials.

Little Red Riding Hood likes to go walking but sometimes it rains and her cloak isn't very waterproof.

Can you design her a new waterproof coat. Think about what material would be best to use. Investigate some materials and see what would be best. Draw and label your design.

## Geography

LO: I can compare two different settings.

Think about the story. Little Red Riding Hood walked through the forest.

Think about a seaside setting. Compare a forest setting with a seaside setting.

**What are the similarities?  
What are the differences?**

## Science (Living things)

LO: I understand how trees change over time.

Little Red Riding Hood was exploring the woods. Throughout the year, the forest would change throughout the seasons.

Join in with this lesson to observe the changes that occur to trees during different seasons. You will also be looking at the annual calendar and comparing events to the seasons.

## Art & Design

Go outside and collect natural resources. Create a collage of a woodland animal, for example a hedgehog.

## Music
