

# Week 9 Spellings

**This week's word list:** Words with the Spelling Pattern: ee, y, ea

**Monday:** Look, cover, write, check carefully and in your best, joined handwriting

exceed treason reveal breathe release recede beneath  
adhere pioneer shield pierce feeble wreath reason  
weary appear redeem season

Can you add any more words to the lists?

**Tuesday:** Complete the missing words: (This is a tricky one-all the words are in Monday's list)

The boy stood \_\_\_\_\_ the arches, hidden from sight. He could barely \_\_\_\_\_ with fear as he \_\_\_\_\_d into the shadows. He dare not \_\_\_\_\_ himself and held his \_\_\_\_\_ close to his chest. His legs trembled and his arms felt \_\_\_\_\_ and \_\_\_\_\_. Could he \_\_\_\_\_ himself and persuade the King of the \_\_\_\_\_ for his \_\_\_\_\_?

**Or play the game from last week with this week's words:  
You will need to make your flashcards.**

- If you have someone to play with, shuffle up your cards and play snap.
- Pairs: divide the cards between you. One player puts down a card and the other gets to keep the pair if they have its matching meaning /spelling.
- Definitions: Your partner reads you a definition, you have to identify and spell the word. For a bonus point, use the word correctly in a sentence.

If you don't have a partner, play Pelmanism. Shuffle your cards, place them all face down in a grid pattern. Turn one card over, can you find its partner? If it matches, remove the pair from the grid. If it doesn't, turn them both back over. Repeat until you have found all the pairs.

### Wednesday:

Make up a tune or a rap to spell each word.

Try it forwards and backwards.

Make up a game to play – give the meaning and one of the letters for someone else to guess the word. They can have a point if they can then spell it. Eg. This word means words double four and the fourth letter is h?

### Thursday:

possible  
potatoes  
pressure  
probably  
promise

quarter  
question  
recent  
regular  
reign

Remember these? How many can you correctly spell now?

### Friday

#### The final test

Hold a Spelling Bee or ask someone else to test you. Explain to someone else the rules you have learned this week. If you are feeling confident, repeat the word, spell it forwards, spell it backwards and then use it in a sentence.

If there is no-one to test you today, write out the spellings in your book and use the look, cover, write, check method to see if you are getting them right.
