

In maths this week, we are going to be simplifying and comparing fractions..

### **Lesson 1**

Watch this short video - <https://vimeo.com/413667939> - which will help with simplifying fractions.

The questions for this lesson can be found here:

<https://resources.whiterosemaths.com/wp-content/uploads/2020/04/Lesson-1-Simplify-fractions-2019.pdf>

You can still answer the questions in your book.

### **Lesson 2**

Watch this short video - <https://vimeo.com/413668473> - which will help with comparing and ordering fractions.

The questions for this lesson can be found here:

<https://resources.whiterosemaths.com/wp-content/uploads/2020/04/Lesson-2-Compare-and-order-fractions.pdf>

You can still answer the questions in your book.

### **Lesson 3**

Watch this short video - <https://vimeo.com/413669158> - which covers adding and subtracting fractions.

The questions for this lesson can be found here:

<https://resources.whiterosemaths.com/wp-content/uploads/2020/04/Lesson-3-Add-and-subtract-fractions-2-2019.pdf>

You can still answer the questions in your book.

### **Lesson 4**

Watch this short video - <https://vimeo.com/413669555> - which looks at mixed addition and subtraction.

The questions for this lesson can be found here:

<https://resources.whiterosemaths.com/wp-content/uploads/2020/04/Lesson-4-Mixed-addition-and-subtraction-2019.pdf>

You can still answer the questions in your book.
