English Thursday 2nd July

Learning Objective: I can write a list.

This week we have carried out and recorded some research about why trees are important and why we need them.

Now we need to think about the issues surrounding trees.

- What is happening to them?
- What impact is this having on the world?
- Who is suffering?

Click on the picture to find out about deforestation and the impact that it has on plants and nature.

See the next slide for more information.

Fragmented forests cannot support animals such as grizzly bears or Siberian tigers, as they need large areas of continuous forest to survive.

In many parts of the world, illegal logging is leading to loss of forests.

Forests are being cleared for agriculture, often to grow food for animals.

Wood is used by more than a quarter of the world's population for cooking and heating.

What's the problem?

Today you will be writing a list of the problems about trees.

- What is happening to them?
- Why is this a bad thing?

Use bullet points to list your ideas and facts.

Find some interesting facts!

What is the problem?

- Trees are being cut down in the forests for...
- Every year, 8.8 million hectares of natural forest are cut down – that's an area the size of a football pitch every second.

PSHE

LO: I understand why we should reduce, reuse and recycle.

On New Valley Book Day, we shared the book 'Somebody Swallowed Stanley'. This was about lots of animals swallowing a plastic bag in the sea. It is so important that we do not litter or throw out plastic on the ground, as it could cause an animal to get ill. Click on the picture to listen to the story again.

275,000
tonnes
of plastic bottles
are used each
year in the UK.
That is around
15 Million
bottles per day

In the UK, we use so many plastic bottles each year. Can you think of a way to reuse instead of throwing them away?
Have a look at my ideas and try one out!

This week in English, you have started thinking about conservation and why our trees are so important. In your daily PSHE lessons this week, you will be thinking about sustainability and recycling.

Discovery

The next two weeks of Discovery will focus on the books Little Red Riding Hood and The Last Wolf! Try to choose 1 or 2 activities a day to complete.

Science (weather)

LO: I understand how you can measure rainfall.

In this lesson we are going to be answering the question, how can you measure rainfall? We will be finding out what a liquid is and observing some examples. We will then be moving on to making our own rain gauge to measure the amount of rainfall we have during 1 week.

Geography

LO: I can find out about an endangered animal.

The story 'Little Red' is all about conservation. Lots of habitats that belong to animals around the world are being destroyed. Find out about an endangered animal from somewhere in the world. What is happening to its home? Why is it endangered?

Science (Living things)

LO: I can understand what hibernation is.

Little Red Riding Hood was exploring the woods. Lots of animals live in the woods and some of them hibernate. Join in with this lesson to learn about what hibernation. We will be looking at different animals who hibernate, when they hibernate, what they do to prepare for hibernation and where they go to hibernate.

Art & Design

LO: I can create a tree collage inspired by Kandinsky.

Research a piece of artwork by Kandinsky – Squares with Concentric Circles. Create a tree collage inspired by this picture.

Music

LO: I can use actions and use my voice expressively when singing a song.

Spread some joy when listening and joining in with this song!

J – is for jumping and leaping about,
O – is for over the moon, I'll tell you
Y – 'cause we have an incredible God,
F – is forever He's for me and you,
O – it's because you are precious to Him,
L – is for love, for his love keeps me singing.

Languages

LO: I can describe my physical appearance in Spanish.

In this lesson we will recap our previous Spanish lesson, then learn how to describe our hair and eye colour in Spanish! For this lesson you will need some paper, a pen or pencil to write with and some colouring pencils to draw.
