## Keep Learning!

Learning a language and getting a head start. New Valley is going to be learning Spanish next year- start your lessons early!

[To describe your features in Spanish](#)

Reading – take some time to get lost in a book or listen to a story- [Elevenses with David Walliams](#) or learn to draw Matilda on the [Roald Dahl site](#)

Have a look at the [Art Club](#) on Oak Academy Trust- try out an activity like rangoli elephants or windy whirlers

Or, in keeping with this week's theme, send in a photograph of yourself doing something that will always remind you of being in Y4 during lockdown. If enough of you send a photo, I will create a piece of work with it for you to keep.

Please make sure your parents approve the photo and realise that by sending it in, you are giving permission for me to use it and send it out to the class.

Don't forget Votes for Schools!

Do the Olympics need updating?

Enter this week's debate and send in a comment. The link is on your distance learning page on the website

Send in your ideas for good online party games? Shall we have a dance? What to? What about a sing? What would you like to sing to?

### Connect!

Join our 'Class Party' on Teams on Thursday from 2.30-3. 30pm. The link will be sent out on Thursday morning.

Remember- you need a party hat and some party food!!!
