

# Week 13 Spellings

Adding suffixes beginning with vowel letters to words of more than one syllable

## This week's word list:

### Monday: Identify the suffix and find where the rules apply

Refer referring, referred  
Prefer – preferred, preferring  
Begin- beginning  
Forget- forgetting, forgotten  
  
Limit- limiting, limited, limitation  
Garden- gardener, gardening, gardened  
Sharpen- sharpened, sharpening

If the last syllable of a word is stressed and ends with one consonant letter which has just one vowel letter before it, the final consonant letter is doubled before any ending beginning with a vowel letter is added. The consonant letter is not doubled if the syllable is unstressed.

Can you add any words to your lists?

### Tuesday: Complete the missing words: (All the words are in Monday's list)

The man the policeman \_\_\_\_\_ to was the witness.  
The Government -----the purchase of toilet roll during the lockdown.  
The ----- made a beautiful job of the flowerbed.  
I ----- roses to tulips.  
The butcher ----- his knives.

### Or play the game from last week with this week's words: You will need to make your flashcards.

- If you have someone to play with, shuffle up your cards and play snap.
- Pairs: divide the cards between you. One player puts down a card and the other gets to keep the pair if they have its matching meaning /spelling.
- Definitions: Your partner reads you a definition, you have to identify and spell the word. For a bonus point, use the word correctly in a sentence.

If you don't have a partner, play Pelmanism. Shuffle your cards, place them all face down in a grid pattern. Turn one card over, can you find its partner? If it matches, remove the pair from the grid. If it doesn't, turn them both back over. Repeat until you have found all the pairs.

### Wednesday:

Make up a tune or a rap to spell and give the meaning of each word.

Make up a game to play – give the meaning and one of the letters for someone else to guess the word. They can have a point if they can then spell it. E.g. This word means something will harm you and the fourth letter is g

### Thursday:

Mythical	Trouble	Country
Egyptian	Double	Young
Pyramid	Poisonous	Obvious
Mystery	Various	Outrageous
touch	dangerous	beautiful

Remember these? How many can you correctly spell now?

### Friday

#### The final test

Hold a Spelling Bee or ask someone else to test you. Explain to someone else the rules you have learned this week. If you are feeling confident, repeat the word, spell it forwards, spell it backwards and then use it in a sentence.

If there is no-one to test you today, write out the spellings in your book and use the look, cover, write, check method to see if you are getting them right.
