

Discovery

This week's discovery work look at evolution. First of all watch these videos/ visit these sites:

<https://www.bbc.co.uk/bitesize/topics/zvhhvcw/articles/z9qs4qt>

<https://www.youtube.com/watch?v=vbKpu8QTn5I>

https://www.youtube.com/watch?v=BcpB_986wyk

In your book summarise what evolution is – this can be as a written piece of information or as a poster.

Charles Darwin was essential to the growth of the theory of Evolution, research him and produce a biography of him. Be sure to include key facts about his life.

Wellness Wednesday

Below are a list of activities to be completed as a part of Wellness Wednesday.

Physical Activity

<https://www.youtube.com/watch?v=dF7O6-Qablo>

Mental Health

We will continue to look at ensuring you are ready for High school this week. I would like you to send me a list of the things you are excited for, nervous about and everything you are not sure of in regard to High School. Send this to me on Wednesday and I will get back to you individually about your lists.
