English Tuesday 14<sup>th</sup> July

Learning Objective: I can identify and collect sounds from my local environment.

We will be looking at the poem 'The Sound Collector' by Roger McGough.

Go for a sound walk around your local area and record what sounds you can hear.

Use the sentence

**I can hear...**

## The Sound Collector - by Roger McGough

A stranger called this morning  
Dressed all in black and grey  
Put every sound into a bag  
And carried it away

The whistling of the kettle  
The turning of the lock  
The purring of the kitten  
The ticking of the clock

The popping of the toaster  
The crunching of the flakes  
When you spread the marmalade  
The scraping noise it makes

The hissing of the frying pan  
The ticking of the grill  
The bubbling of the bathtub  
As it starts to fill

The drumming of the raindrops  
On the window pane  
When you do the washing up  
The gurgle of the drain

The crying of the baby  
The squeaking of the chair  
The swishing of the curtain  
The creaking of the stair

A stranger called this morning  
He didn't leave his name  
Left us only silence  
Life will never be the same

I can hear leaves rustling.

I can hear birds tweeting.
