LO: I can plan a leaflet/presentation using subheadings.

Today we are going to start planning our collage/leaflet. You are going to start putting all the information you have gathered together in one place.

You might also like to find some interesting pictures.

A few weeks ago you created a leaflet about penguins. Here is a reminder of what a leaflet includes.

Look at what a leaflet includes. This one is about hedgehogs but ours will be about penguins.

Watch out when you are making a bonfire!

Never feed a hedgehog milk!

Fun facts

Fun fact!

The Japanese name for hedgehog is "narinezumi" (literally meaning "needle mouse"!).

## Hedgehogs

Fun fact!

When a hedgehog is happy, it will SQUEAL with delight!

### Caring for your Hedgehog!

#### Feeding your Hedgehogs:

- Put your Hedgehog's food out at sunset, otherwise the flies will lay their eggs on it!
- Do NOT feed your Hedgehog milk or bread; that is a myth. It will make them unwell.

#### Important facts you need to know:

- Check underneath your bonfire before you light it. They may be living there.
- Don't line a hedgehog's nesting box. They will do it themselves.

Bullet points

Remember our leaflet or collage is about meerkats not hedgehogs or penguins. You can use the vocabulary and facts you found over the past couple of days.

Don't forget your title. This tells the reader what your leaflet is about.

Remember you can be creative and use post it notes and pictures in your planning.
