I would also like to live at home because I like playing Playstation.

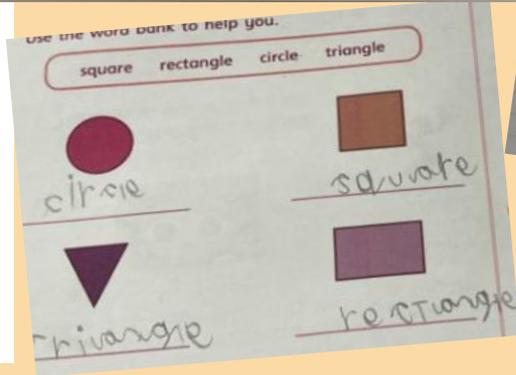

I would like to live in the jungle because I could learn about animals and the wild. I would like it in one way but not in a way I don't like it because I might be in danger but in the other way I do because I could learn about the plants and things.

R. The giraffe was peeing sad because his neck was long and cold.

R. George gave the giraffe his smart script to rub around his neck.

I would like to live in the wild because lots of interesting animals live in jungle. I would like to see a bear.

Would you like to live in the wild?  
I would like to live in the wild because there is lots of animals.  
I would like to live in the wild because I can climb trees.

I would not like to live in the wild because I am scared of wolves.
