## English

Today's lesson:

Learning Objective: I can use 'because' to explain my ideas.

## Your task:

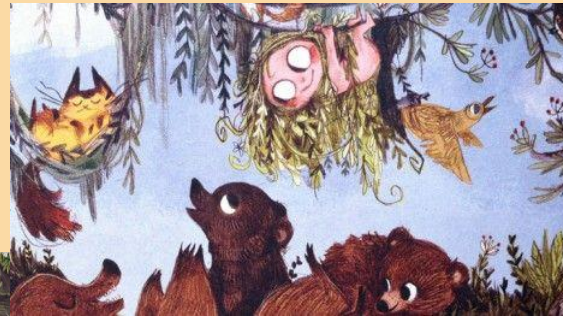

Today you will be answering the question:  
*Would you like to live in the wild?*

You need to write in full sentences and give reasons for your ideas using 'because'.

Look at the title of the book, 'Wild'.

- What do you think wild means?
- Is she like a normal little girl?
- How is she the same as us?
- How is she different?
- Would you like to live with her? Why?

The little girl lives in the wild. Would you like to live in the wild? Discuss this with someone at home.

For example

I would like to live in the wild because lots of interesting animals live in the jungle.

say it, pinch it, write it  
Fred fingers

capital letter

finger spaces

full stops

red words

Remember to think about your sentences carefully before you write them down.
