Tuesday's lesson:

Learning Objective: I can ask questions.

## Today's task:

Today you are going to be interviewing Bob!

An interview is very much like a conversation, you are trying to find out information from the person but try and make it interesting! You need to think of lots of questions but avoid questions that can only be answered with 'yes' or 'no'.

Watch the example of an interview with famous astronaut Tim Peake. It might give you some inspiration for questions.

<https://www.bbc.co.uk/newsround/42283275>

Hi, I am Bob. I am feeling a bit nervous as I have just applied for a job...on the moon!

What questions could you ask Bob?

Remember to use a capital letter at the beginning of your sentence and a question mark at the end.

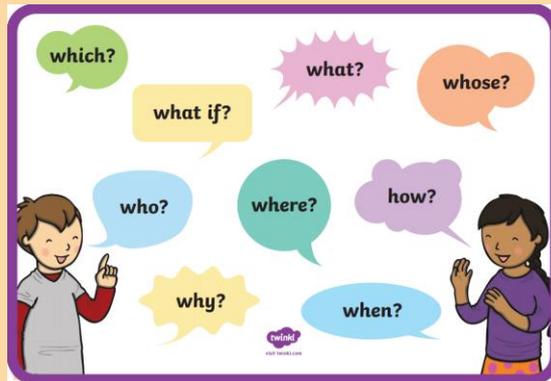

Question stems....

This is Tim Peake

**Additional Activity**
