VIPERS

We are starting to read *Georges Marvellous Medicine* by Roald Dahl. If you have a copy of the book at home, please use that.

If not, read the book online [here](#)
Please try not to read ahead of the book until you are asked to.

For today's lesson, we are looking at prediction.

Design in your book what you think the front cover is going to look like.

Humanities

Geography:

For the next two weeks we are going to recap and finish some of our learning on the world oceans.

Creative Time

Create a piece of art using recycled materials (you aren't allowed to purchase anything new).

To recycle something is to repurpose it so things like newspapers, old clothes you've grown out of, tissue boxes or even broken toys, are all good examples of recycled materials.

Your art could be anything, a sculpture, some sort of jewellery or even a plant pot!

It's all up to you!

Send me pictures of your finished piece!

Make sure you have completed your VIPERS first before doing your English work today!

We are looking at our new class book *Georges Marvellous Medicine* by Roald Dahl. If you have a copy of the book at home, please use that. If not, read the book online [here](#). Please try not to read ahead of the book until you are asked to

Today we are going to have a go at reading the first chapter 'Grandma'.

Have a go at reading it but, you could also have it read to you [here](#).

Don't worry if you are struggling to understand it, we will go over it in one of our video sessions today to make sure you do get it!

Activity: Pretend you are the characters from this chapter and write answers to these questions in their voice.

Questions for George:

1. How do you feel when you are left alone with Grandma?
2. Why do you think Grandma is grumpy all the time?
3. Why do you think Grandma speaks to you the way she does?

Questions for Grandma:

1. Why are you so grumpy all the time?
2. Why do you sit in that chair by the window?
3. Why are you so cruel to George?
4. What is your medicine for?
