

# NEW VALLEY PRIMARY SCHOOL REMOTE LEARNING

**Year 4**

**Maple Class**

**Week Beginning 04/01/2021**

Welcome to your child's remote learning pages for this week.

The lessons for each day closely mirror the lessons being held in class so that your child will not fall behind whilst unable to attend school.

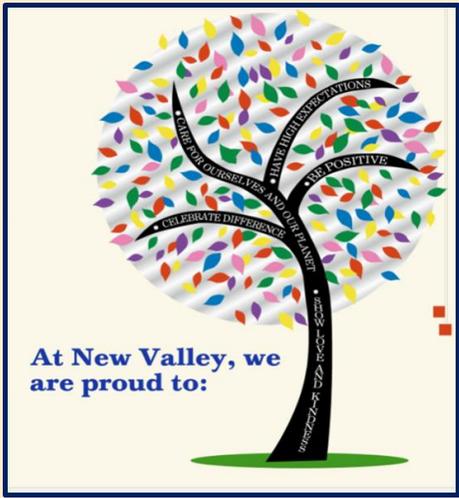

We recommend you help your child to maintain the structure of their day and include an example timetable. This will help to support their learning behaviour and wellbeing.

There is no need to print off any of this work. Your child has been shown how to record their work in their Home Learning Journal . We ask that you support your child in aiming for high standards of presentation.

In some subjects, answers have been provided for you so that you can support your child with immediate feedback. I would like to see all work in order that I can give additional feedback and support. Work should be photographed or scanned and returned to me at [maple@newvalleyprimary.com](mailto:maple@newvalleyprimary.com).

At New Valley, unless ill, teachers will acknowledge work and feedback where necessary but will not be able to offer comments about every piece of work due to their full daily teaching commitments.

If your child has difficulties with the work, please email me at [maple@newvalleyprimary.com](mailto:maple@newvalleyprimary.com)

## What is an adverb of time?

Adverbs that change or qualify the meaning of a sentence by telling us when things happen are defined as adverbs of time.

## English

Draw a story map with pictures to show the main events that happen in Tadeo Jones. Use the adverbs of time word bank on the next slide and write sentences under each picture. Use a ruler and underline the adverbs of time. Use these adverbs of time to help you sequence the **whole** story (main events!) in the right order! Remember to use capital letters and full stops to punctuate your sentences accurately!

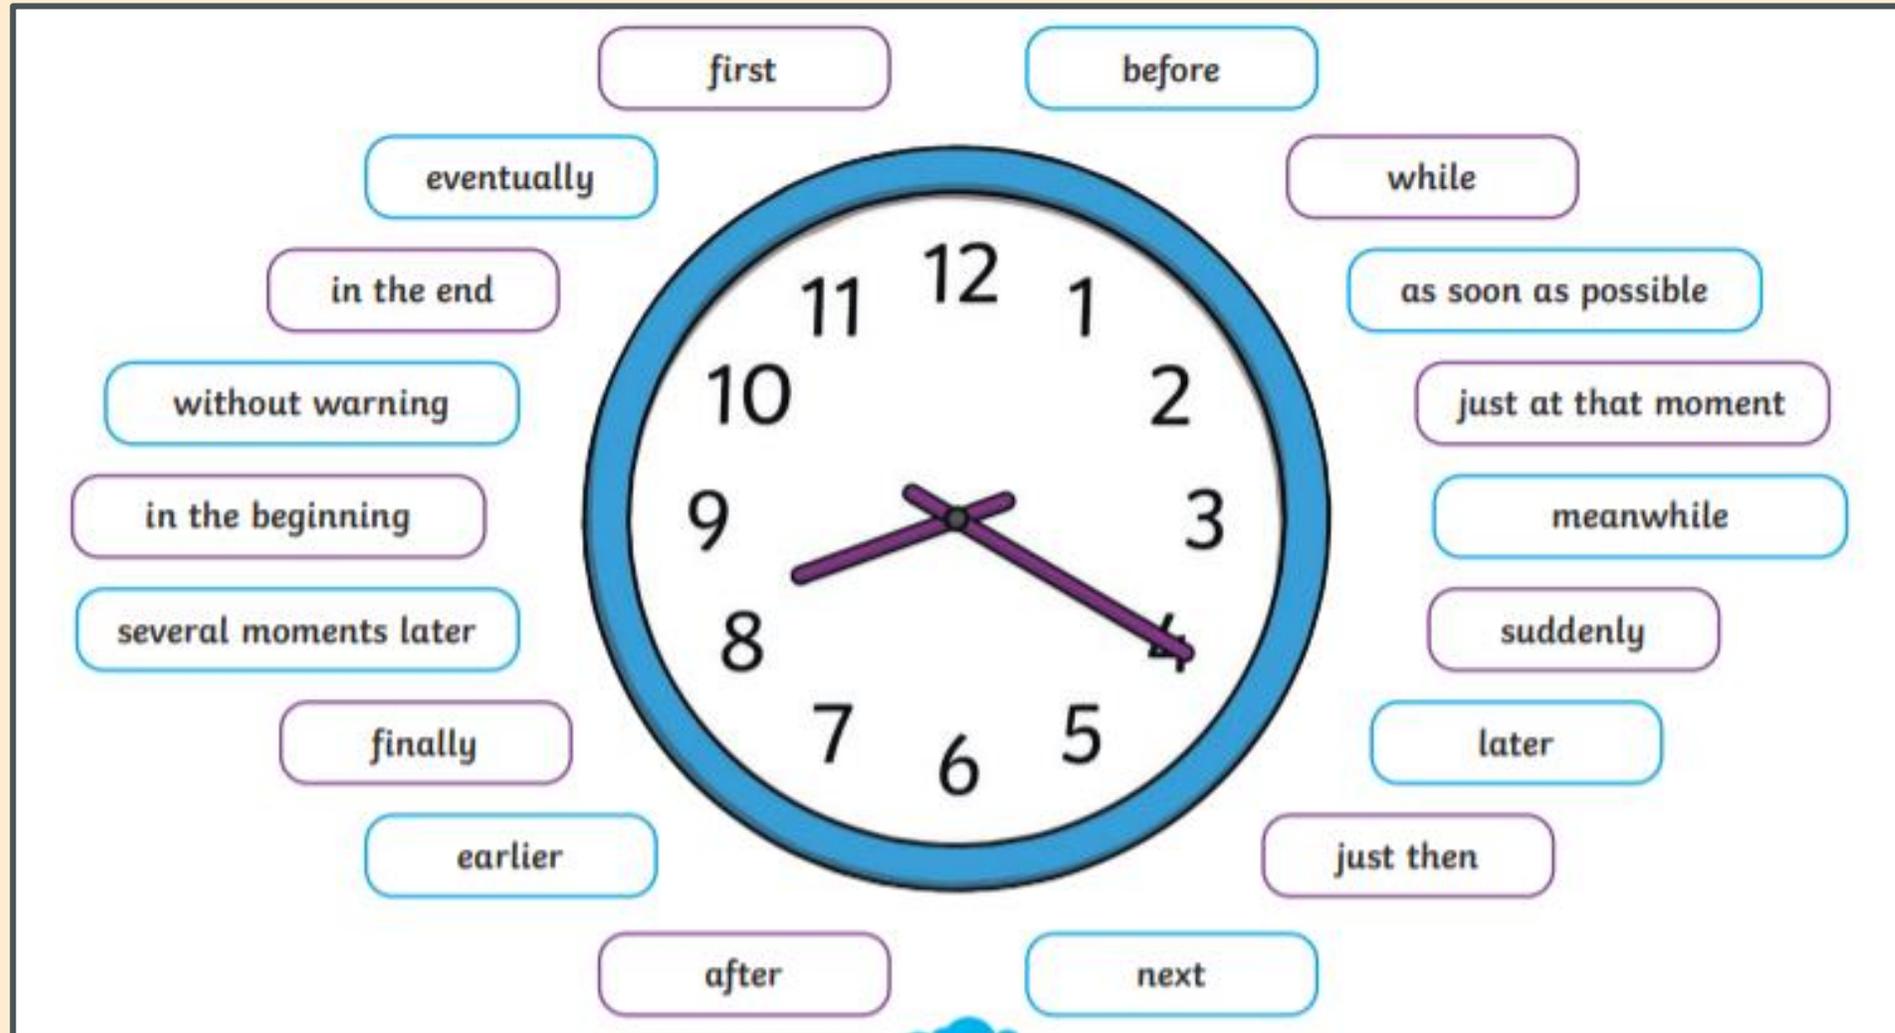

**One day**, Tadeo Jones decided to explore the forbidden, ancient pyramid for he was in search of the Pharaohs priceless treasures.

**After** plucking up the courage to enter the dark, gloomy tunnels, he stepped deeper into the mysterious chambers.

**At that moment**, before him were strange hieroglyphics, which were as mysterious as a magical spell.
