

NEW VALLEY PRIMARY SCHOOL REMOTE LEARNING

Year 6 Oak

Wednesday 13th January 2021

Recommended Daily Timetable

The date: Wednesday 13th January 2021

13.1.21

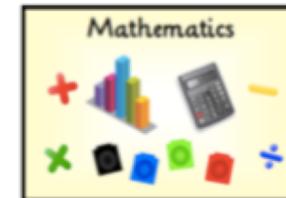

Morning

Don't forget to write the date and subject for each piece of work!

Group 1
Teams call
9-9.30am

Group 2
Teams call
9.30-10am

Wellbeing Wednesday!
Pick a couple of the Wellbeing
Wednesday activities (in the
coloured boxes on the next page)

Homework

9 - 9.30

or

9.30 - 10

10 - 10.30

10.30 - 11

11 - 11.15

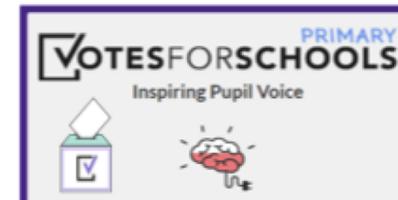

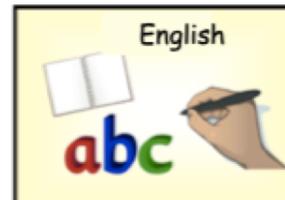

11.15 - 11.45

11.45 - 12

Afternoon

Group 1
Teams call
12-12.30pm

Group 2
Teams call
12.30-1pm

12 - 12.30

or

12.30 - 1

1 - 2

2 - 2.30

2.30 - 3

3 pm

Have a go at TTRS
when the other
group are having
their Teams call!

We can

do it!

Wellbeing Wednesday

Wednesday
13/1/2021

'Homework'
Have a go at the homework in Resource 3

We'll go over this in our afternoon call!

English
Today we are learning to: Use persuasive language features
Activity
Have a look at Resource 1. Create a leaflet or poster, encouraging tourists to come and see the unveiling of the new figure in the Great Clock of Glockenheim - they don't know that Karl hasn't made one yet!

Maths
This week we are studying: Decimals
Follow the links to the White Rose website to find today's lesson on: Three Decimal Places

Click Me! [Lesson video link](#)
[Lesson activity sheet link](#)
[Today's answers](#)

Resource 4/5

Votes for Schools
Have a look at the full Votes for School pack on the Year 6 section of the NV website. Cast your vote by clicking on this link:
<https://www.surveymonkey.co.uk/r/vfs-primary-ks2-brexit>

Click Me!

Connect
Join your group's catch-up meetings today! Could you call a friend while you are doing your work, or just to say hi?

Be active
Get active! Go for a walk or jog, do an exercise video, set up an obstacle course in your house or garden, turn on your favourite music and dance around for half an hour...? We would usually be going on our woodland walk today - could you ask your family if you can go for a walk and explore your local area together?

Keep learning

Think about a hobby that you might like to take up at home. Dedicate time to your hobby every Wellbeing Wednesday. Here are some ideas...

Learning a language - you could use Duolingo
Writing - write your own comic strips, poetry or graphic novels?
Reading - take some time to get lost in a book!
Drawing - you could use YouTube tutorials or draw things that interest you
Rambling - enjoy walking in nature
Exercise - try out a new way of keeping fit. It could be dancing, yoga, boxing - there are lots of free online classes on YouTube!
Coding - use Scratch or other free coding websites
Gardening - don't have a garden? Notice the nature outside your window or on your walks!
Crafts - get inspired to create something!
Games - learn a new game, like chess...?
Music - listen to music, or create your own!

Take notice
Take a couple of quiet minutes to have a go at this 5 finger breathing activity. How did you feel before? How do you feel after?

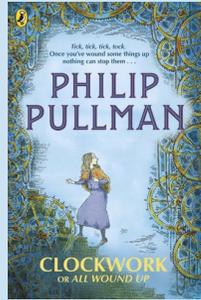

Give
Give your time to someone today! You could offer to help a family member with some chores, or tidy your room? You could read a book to a younger sibling or play with them for a while?

Remember to take lots of exercise and brain breaks away from your screen during the day!

Resource 1 English

Here are some example leaflets, persuading tourists to go somewhere or do something...

A WONDERLAND OF FUN FOR THE YOUNG ONES

A spell at Camelot is magic for youngsters, with specially designed play areas and a whole host of rides and attractions. And remember, children aged 3 and under are admitted free.

In the 'Wild Wood' stands a ruined castle, the scene of a great battle, surrounded by fallen knights. Are you brave enough to investigate?

PLAY a LOT. LEARN a LOT.

CASTLE CARBONEK
It's Creepy

Adventure Playland of the King's Menagerie

The Adventure Playland is full of sliding, bouncing and climbing fun – and there's a cafe too! In the King's Menagerie you can feed Old English breeds of pigs, cows and goats (and everything from pheasants to fluffy eagle owls).

Medieval Village

Go back 1200 years and see what life was like back when Arthur was king. See the Mighty Smithy, smell the delicious aroma of bread freshly baked and watch the Tanner tanning leather. After your visit, you'll know the lot!

Follow Sir Galahad's footsteps to Castle Carbonek, where the grail was lost. Put together the clues on our educational adventure trail (they're easy enough) and you could find you've won a family ticket for 4 to Camelot in our daily draw.

Resource 2

Clockwork working wall

Plot updates

Don't forget to write a new plot update each time you read a new section!

1 The story starts on a winter's evening in the small German town of Glockenheim. Some of the townsfolk were in the White Horse Tavern pub.

2 Karl's clockmaking apprenticeship with Herr Ringlemann is almost over. It is a tradition that when the apprenticeship comes to an end, the apprentice makes a new figure for the Great Clock of Glockenheim.

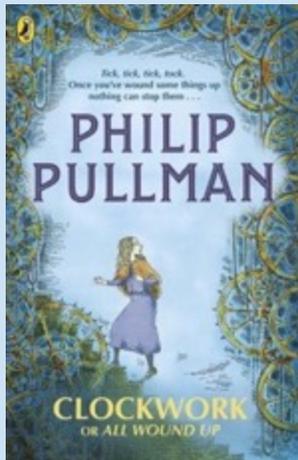

3 Karl is miserable. He confesses to Fritz that he has not made his figure, and the whole town will think he is a failure when he is meant to unveil it tomorrow.

4 Fritz, an optimist, tries to comfort Karl but it doesn't seem to work. We learn that Fritz's new story is called 'Clockwork'. Fritz is also slightly nervous because he hasn't finished writing it!

I think there are lots of stories within the story, like cogs in a clock!

Theories

I think Philip Pullman was inspired by the Rathaus-Glockenspiel clock in Munich, Germany.

Fritz starts telling his story: Prince Otto and a friend take his young son out hunting. The prince's body is found dead, but still moving. When the doctor opens him up, he discovers a clock where his heart should be. He takes it out and the body stops moving. The townsfolk are loving Fritz's story!

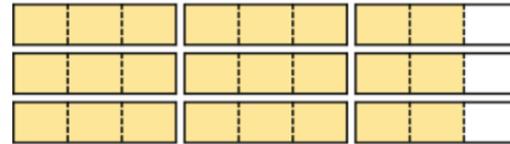

5

Remember to take lots of exercise and brain breaks away from your screen during the day!

CCCXXVII

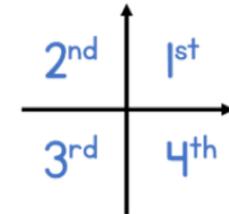

1) Multiply $2\frac{2}{3}$ by 3

2) What is $\frac{1}{2} + \frac{1}{3}$?

3) Calculate $100 - 2 \times (18 + 2)$

4) Which quadrant is $(-5, -5)$ in?

Semi-colons

3

Add the missing semi-colons to these sentences.

- 1) Boys need to go to room 12 girls need to go to room 3.
- 2) I love my cat my cat doesn't love me!
- 3) I don't like horror films I never watch them.
- 4) We can't go today we might go tomorrow.
- 5) I don't like chocolate ice cream would be my first choice of treat.
- 6) I hate reading however sometimes I have to do it.
- 7) I've been before I'd like to go again.
- 8) It's Christmas we're having a party.
- 9) I enjoy writing my friends don't.
- 10) It's sunny now it might rain later.

Remember to take lots of exercise and brain breaks away from your screen during the day!

You don't need to print anything – just draw which counters you would have used!

Three decimal places

White Rose Maths

1 Use place value counters to make the numbers.
Draw your answers.

a) 1.343

T	O	Tth	Hth	Thth

b) 16.052

T	O	Tth	Hth	Thth

c) 7.001

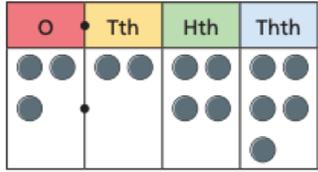

T	O	Tth	Hth	Thth

d) 70.01

T	O	Tth	Hth	Thth

2 Complete the sentences.

There are ones.

There are tenths.

There are hundredths.

There are thousandths.

The number in digits is

3 Write the value of the 3 in each number.

- a) 3.65 _____
- b) 0.093 _____
- c) 18.31 _____
- d) 72.439 _____
- e) 32.701 _____
- f) 19.03 _____

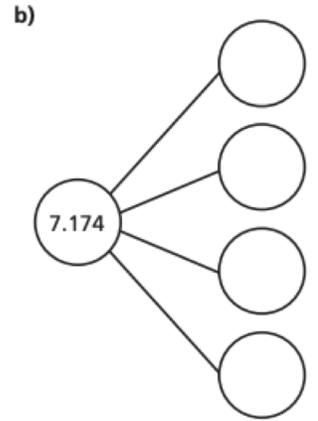

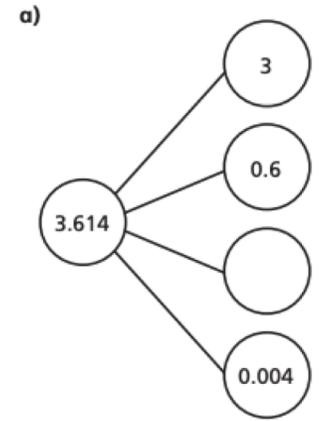

Remember to take lots of exercise and brain breaks away from your screen during the day!

Resource 5

Maths

4 Complete the part-whole models.

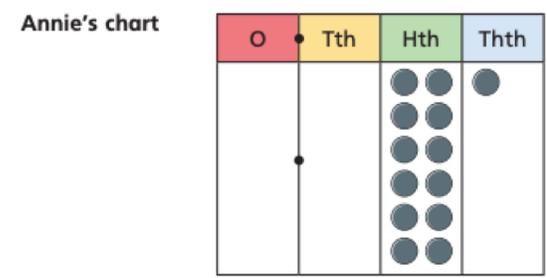

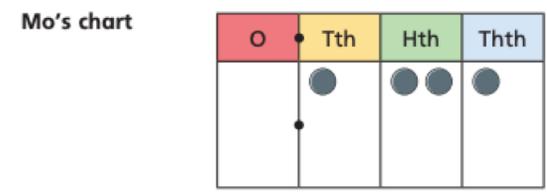

5 Complete the number sentences.

- a) $17.134 = 10 + 7 + 0.1 + \boxed{} + 0.004$
- b) $94.077 = 90 + 4 + 0.07 + \boxed{}$
- c) $\boxed{} = 30 + 4 + 0.07 + 0.009$

6 Complete the number sentences.

- $1.456 = 1 + 0.4 + \boxed{} + 0.006$
- $1.456 = 1 + 0.3 + \boxed{} + 0.006$
- $1.456 = 1 + 0.2 + \boxed{} + 0.006$
- $1.456 = 1 + \boxed{} + 0.006$

7 Mo and Annie have represented 0.121 on their place value charts.

Only my grid shows 0.121

Both our grids show 0.121

Who do you agree with? _____

Explain why.
