Fine motor and Letter formation practise

Do this first

Slice into the egg, go over the top, then under the egg.

Challenge! Try the sound with a whoosh! Trace over the sound and have a go at writing them yourself. Remember to start on the line. (Only do this if your child is confident with the above formation)

It is really important that we keep the strength up in our hands so that we become good writers.

Please have a go at making some playdough and joining in with a song from dough disco (click the pictures).

Please do 1 song from dough disco everyday. Letter formation practise will be at least 3 times a week.

This week is Children's Mental Health Week and this year's theme is 'Express Yourself'

What is self-expression and why is it important?

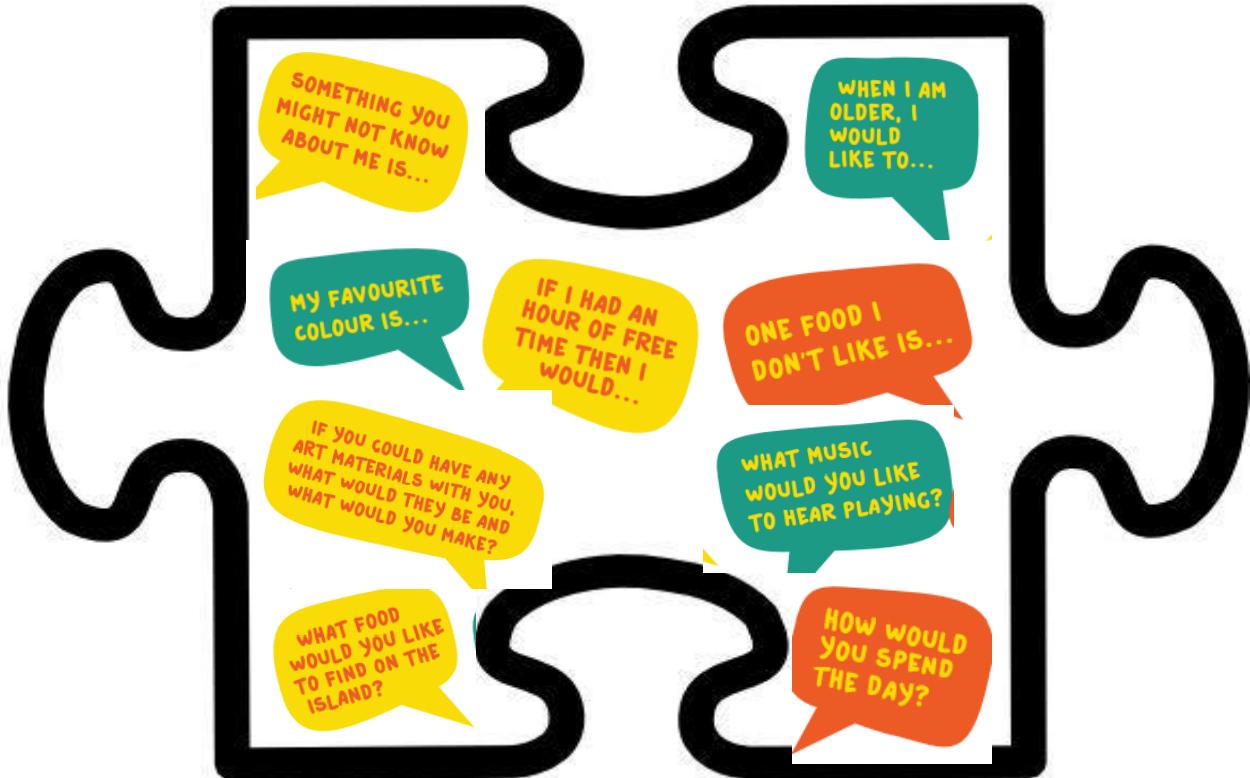

Self-expression is about communicating your individuality. This can be through words, clothing and hairstyle, or through art forms such as writing, drawing, music and dance. Self-expression can help you to showcase your true self - your story, your thoughts, feelings and emotions.

But this can also make us feel vulnerable, so you might want to take things one step at a time. We often get told by our family, friends, school, communities and through social media how we 'should' look, think, speak, and act. These constant messages about what we ought to do, and who we ought to be, can make it difficult to let go of expectations and express our true selves.

Self-expression is a great way to relieve yourself of stress and free your mind.

Maths: combining 2 groups

Look carefully at the picture. Can you find 4 flowers and 4 flowers? How many flowers altogether? Can you find 2 and 5? How many altogether? What else can you see?

Now make your own picture and draw some groups to count.

Max's Jungle Adventure

Late one cold, wet afternoon, when the sky was covered with grey clouds, Max went for a walk through a forest. As he walked, he left a trail of muddy paw prints.

At the end of the path, he discovered an old wooden door covered in green leaves. He nudged it gently with his nose and, very slowly, it began to creak open. Max stepped through.

To his amazement, he found himself in the middle of a bright, sunny jungle. Max looked up. Above him, he saw tall trees stretching into the blue sky like gigantic pencils. Below on the ground, he saw strange round flowers with shiny leaves and red spotted petals like a ladybird.

Around him orange butterflies and red parrots fluttered and flew. Everywhere Max looked he could see so many colours. It was like being wrapped in a rainbow!

Max listened. He heard monkeys chattering as they swung through the trees, parrots screeching from high in the branches and snakes hissing as they slid through the grass. "It's very noisy in the jungle!" thought Max.

Roar! Suddenly, a tiger roared so loudly that Max jumped behind a tree and hid. Fortunately, the tiger was a friendly tiger. "Welcome to our jungle!" said Tiger. "It's my birthday and we're having a party. Would you like to join us?" asked Tiger.

"That sounds like fun. Yes please!" barked Max.

So Max, Tiger and all the jungle animals played music, sang songs and danced until the stars began to twinkle in the night sky. At last, it was time for Max to go. He thanked his new friends and said goodbye. Then he stepped through the old wooden door and followed his muddy paw prints all the way home.

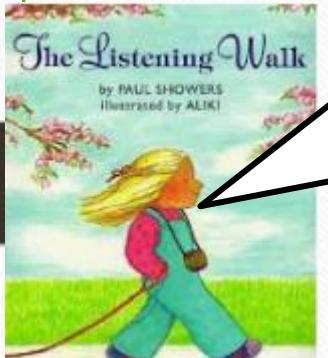

Max was just getting into his bed when he noticed something very strange. His bandana was no longer blue! It had changed colour! Now it was orange with black stripes - just like the pattern on the tiger's fur! Max smiled happily, curled up in his cosy bed and fell asleep dreaming of his new friends and his next adventure.
