

# YEAR 6

Mrs Dubben, Mrs Bellagh, Mrs Chadwick

## Autumn Term 2023

### History / Geography:

#### **As historians we will be:**

learning about the British Empire (including the Windrush).

#### **As geographers we will be:**

finding out about Antarctica and the tropics as well as exploring different time zones.

### Outdoor learning:

The residential trip to Carrot Wood will provide children with opportunities to develop teamwork, resilience and independence..Each week we will be having 'Woodland Wednesday' activities.

On Wednesdays, your child should come to school PE kit, and should have, depending on weather, a coat or sunhat. They will need sensible shoes/ boots to change into.

### RE:

We will be learning about Buddhism, including worship and beliefs, and the festival of Vesak. We will also study Christian festivals (Harvest and Christmas.).

### Music:

#### **In music we will be:**

- singing;
- improving skills on the trumpet or trombone through performing as a group.

### Maths:

#### **As mathematicians we will be learning about:**

- place value;
- addition and subtraction of integers;
- factors and multiples (including prime numbers);
- rules of divisibility;
- multiplication (up to 4 digits x 2 digits);
- short and long division;
- solving multi-step problems using all four operations.

### Science: Light and Electricity

#### **As scientists we will be:**

- Recognising that light travels in straight lines;
- explaining how we see things;
- explaining why shadows have the same shape as the objects that cast them;
- associating the components in a circuit with the number and voltages of cells used;
- comparing and giving reasons for variations in how components function;
- using recognised symbols in diagrams.

### Art / Design and Technology:

- In Art we will be using direction of light and tone
- In DT we will be using IT to control mechanisms.

### Wellbeing & PSHE:

#### **In PSHE and wellbeing we will be:**

- exploring different groups that
- we belong to;
- recognising and challenging
- discrimination and stereotypes;
- respecting ourselves and others;
- discussing how to take care of our
- mental health.

### Computing:

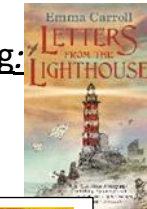

#### **We will:**

- Learn about e-safety;
- Be market analysts, understanding how stocks and shares are sold on the internet.

### English writing texts:

### Reading:

### PE: We will be developing our skills in:

Badminton.

- cricket;
- football
- outdoor and adventurous activities;
- Children should come to school wearing New Valley PE kit on Monday and
