

Year 1 Home Learning Challenge Tasks – Autumn Term 1

Discovery: Castles, huts and homes.

Science: Seasons

DT: Healthy eating.

<p>BE A KNIGHT!</p> <p>Design and make a shield for a knight. You might want to research what shields looked like.</p> 	<p>BE A RESEARCHER!</p> <p>Visit a castle, or use either information books or the internet to find out 5 facts about a castle.</p> 	<p>BE A BUILDER!</p> <p>Make your own castle or house. This can be made out of anything. Be as creative as you want!</p> 	<p>BE A PHOTOGRAPHER!</p> <p>Explore the environment around you. Take some photographs of things that show autumn. (e.g. orange leaves/ bird's nests/stormy clouds/ rainy puddles)</p> 
<p>BE A CHEF!</p> <p>Write a menu for a healthy meal. Help to cook the meal. Get somebody at home to review your cooking! E.g. healthy sandwich. (You might even want to help to do the food shopping to buy the food).</p> 	<p>BE A SURVIVOR!</p> <p>Make a shelter out of different materials. E.g. using sticks in the woods. Take a photo / draw a picture of your shelter and describe what you made it out of.</p> 	<p>BE AN ARTIST!</p> <p>Create a 'Seasons' collage, showing the 4 different seasons.</p> 	<p>BE AN EXPLORER!</p> <p>Explore your local area. Compare and draw some of the houses that you can see.</p> 

These are the home learning tasks for the first half term. You can pick and choose which ones you would like to do, but we do encourage that you do as much home learning with your child as possible. These are to be recorded in your home learning journals, through drawings, photos, artwork, and writing!
Have fun!
