Dear Parents/Carers

We are writing to you today to inform you about an exciting joint project between Year 6 and Year 2. We are going to be hosting a "Clothing Drive". We know that children often grow out of their uniforms and other kits quickly and this year in particular, you might have some uniform that your child/children never got to wear due to lockdown. We are asking for clothing donations for us to collect and redistribute.

Between the 5th to the 14th of July, any donations can be sent into your child's classroom where we will collect, wash, fold and store in the school. Different teams of Year 2 and 6 will be responsible for the initial set up and then the Eco team will keep the project ongoing. The stock of clothes will be made available for any child who might need something for whatever reason. As well as saving you money, this also contributes to our environment initiative of Reduce, Reuse and Recycle. Let's look after our planet!

Below, you will find a list of appropriate things to donate. Clothes may have been worn but must still be wearable. **Anything with rips or tears can't be taken.** We will also accept any donations of **new** white/black/navy socks and underwear.

We hope this letter encourages you to support our initiative, help other New Valley families, and the environment.

Remember, before you buy, come and try!

Yours sincerely,

Year 6 and Year 2.
