28/03/2024

Dear Parents and Carers,

To support our learning in Geography, we would like to take the children to visit Beddington Energy Centre on **Wednesday 22<sup>nd</sup> May 2024**. This facility is a cost-effective and sustainable alternative to landfill and treats non-recyclable waste instead of burying it in the ground.

During our visit, the children will have a tour to help them understand the process of recycling. Children will be given PPE equipment to wear, including boots. Therefore, please ensure that your child is wearing socks.

Children are required to bring a packed lunch and water bottle. If you need the school to provide a packed lunch, please let me know by **30<sup>th</sup> April**.

Children will need to **arrive at school at 8.15am**. We will return for usual pick up at 3.10pm.

We will require two parent helpers; if you are available to help, please let me know.

Thank you for your continued support.

Yours sincerely

*Mrs Pickard*

Year 4 Class Teacher
